

ABC Consultancy

OBJECTIVITY & DIGNITY & QUALITY

ABC Consultancy was formed to provide services in almost every aspect of corporate operations with objectivity, dignity and quality.

We provide wide range of services to local and international companies build and develop their business in Turkey. We assist our foreign clients to take advantage of the opportunities in the Turkish market through our knowledge, experience and related legislation.

The mission of ABC Consultancy is to provide the most creative and well searched practical solutions to the challenges our client face in business environment. We understand your challenges and issues every step of the way, and will not be satisfied until we deliver the result you need. Our experienced consultants are able to communicate with you in English, German, Dutch and of course in Turkish. With our methodologies, we work with you as a strategic partner brings clear strategic thinking and the best available approach to help you maximize your potential and profitability. We focus solely on consulting in neutral position that enables us to provide you objective solutions, and best business practices. Our innovative solutions are based on YOUR business not ours or vendor's.

ABC Consultancy starts with the system in mind, and assists you in getting your organization from where it is today to where you want it to be tomorrow.

ABC Consultancy is Turkey-based international consultant firm that provide you with a unique formula to establish and to optimize all areas of your business.

ABC Consultancy assists international companies and individuals to build their businesses and investments in Turkey, and also assists Turkish businesses for their establishment and to promote their goods and services in establishment and to promote their goods and services in the international forum especially EU, U.S.A. and Canada.

Our services are flexible and wide ranging and we can help you and your organization to meet the challenges of doing business in ever-changing economic climate.

ABC Consultancy approach to the client relationship can be summarized in two words: trusted advisor. As a trusted advisor, we maintain our vendor neutrality to ensure that our clients are receiving the best solutions without being influenced by our vendor ties.
